President's Message

The PAW Board wishes each of you a Happy and Prosperous New Year. The New Year will bring many interesting new demos at our mouthy meetings. Of course we have the opportunity to see many interesting demos at the Desert Woodturning Roundup: February 26, 27 & 28 at the Mesa Convection Center. You can go to the entire roundup or just one of the days. The roundup has been very good in the past and I am sure that it will be good this year. Besides the demos there will be many vendors that will help you lighten your wallet for the drive home. Those of you that won Craft Supply gift cards at our Holiday dinner will have opportunity to redeem them. I hope to see many of you at the Roundup. Their web site is: <http://azwoodturners.org/DWR/index.shtml>

Gary Frank

Wood Turning Demo at Franklin Phonetic School

by Gary Frank

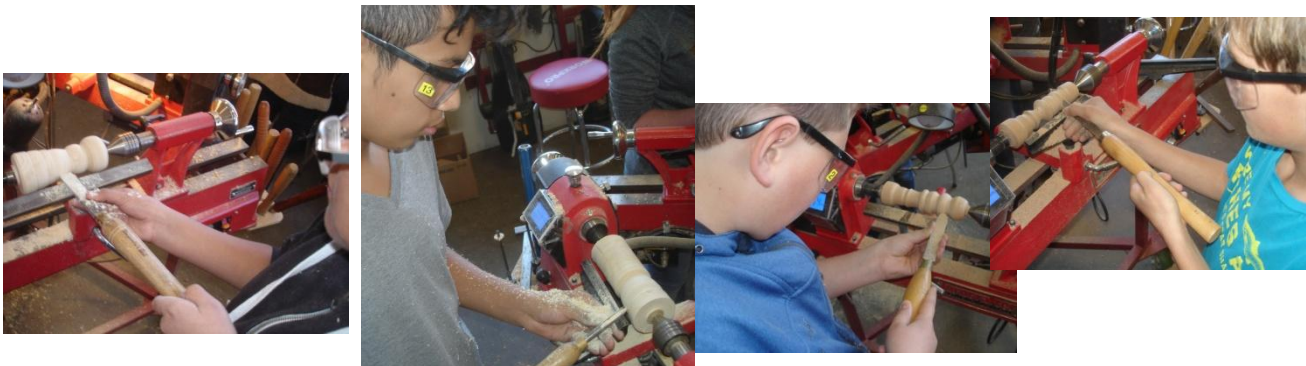

I had the pleasure of demonstrating in November how to turn a snowman for several classes at the Franklin Phonetic School. The students are very enthusiastic about woodturning and wood working. Franklin Phonetic is one of the few schools, if not the only one, in Arizona that offers woodturning. Tom Bockman,

the instructor, arranged to have a reporter from the Daily Courier at the school during the demo. The newspaper article was to be about the students but those of you that get the Courier saw it was great article about the club with mention about the students.

For our new members, the club was instrumental in getting a wood turning classes started at the school by buying their first three lathes. Several club members also donated a table saw, drill press, band saw, turning tools and wood. The class was so popular that Tom opened the shop after school and was able to convince the school to buy four more lathes! We can all be proud of contributing to the community in this manner and fulfilling our goal of promoting woodturning.

The Courier did not run photos of the students so here are a few:

Hassayampa Sale November 14, 2015

PAW again partnered with the Spinners and Weavers at the annual Holiday Sale at the Hassayampa Inn. PAW was well represented, as you can see here. Shoppers

were out in force, and sales by our members were good.

This year for the first time we offered three baskets of raffle items.

Among those items were pieces turned by Harvey Stolz and donated by his wife, as well as a flute by Dennis Stubbs, and a knitting bowl by Gene Perryman. There were many chances taken, which resulted in a nice addition to our Treasury.

Annual Stocking Stuffer December 19, 2015

PAW members arrived at the Grace Sparks Center before 8:30 a.m. in order to be set up for the opening of the sale, scheduled for 10:00 a.m. Obviously, PAW was

READY! Among all of the beautiful things were at least 60 snowmen of varying sizes. Apparently nobody ever has too many snowmen, because fewer than 10 were left.

Traffic at the booth was steady. By the end of the sale our tables were nearly empty.

Annual Holiday Party December 21, 2015

by Gary Frank

Forty-four people attended this year's event. After a delicious dinner, \$250 worth of Craft Supply gift cards, \$100 in Olive Garden Gift Cards and \$50 in Prescott Junction gift cards were given out to many lucky winners. I was not one of the lucky people - maybe next year.

We also had a gift exchange. Most of the people turned Christmas ornaments but the item that

received most of the attention was Gene Perryman's crazy quilt vase. Nina Muehleisen finally ended up with it.

We retired the "Turner of the Year" trophy this year and started a new one. Woody Jones, last year's lucky winner turned a new Goblet and this year's winner will "embellish" the new trophy.

And this year's "winner" is ME (I finally won one of the drawings at the diner!!!).

It was a very enjoyable evening. Please consider attending next year's event. The board is contemplating moving the date of the dinner to earlier in December and away from the busy time close to Christmas

Gary

Upcoming Meetings and Events

2016 Meetings and Events

Programs are subject to change as necessary. Notices will be sent prior to each meeting.

Note that no General Meeting is scheduled for months with a sale in which the club is entered. During those times members are urged to participate in the sale.
